Hi Jim,

--I left you a message earlier this afternoon re [REDACTED] which we had touched based on earlier. We didn't have a judge available at 2:00, as I suspected might happen. I was told that we will be the first case sent out tomorrow at 9:00, so I'll give you a call in the morning and let you know what's happening and what time we expect to need you. It is scheduled to be a jury trial so I think you wouldn't be needed until at least after lunch.

--I have another case that is scheduled for Thursday -- [REDACTED] The defense attorney just pointed out that it is not scheduled for a Tuesday or Wednesday. Would you be available? If not, the defense attorney is amenable to a continuance, just let me know.

[REDACTED] has two cases:
